

The school day is based upon a master schedule containing seven class periods. The school day begins at 8:15 a.m. and ends at 2:50 p.m. with a "0 Hour" offered from 7:30 a.m. to 8:15 a.m. for anyone who is enrolled in band. **Refer to the Academic Guide for current graduation requirements, course prerequisites, course fees, etc.**

Please, use this sheet to plan a general course of studies for your time at Lutheran High School. An "X" indicates a course that all students in that grade MUST take during that particular academic year. Any course that is in *italics* is only one semester in length or a full year course with two independent semesters.
