

## StudentsWeb Introduction & Login Instructions

Our new **RenWeb School Management Software** gives you, the busy student, an opportunity to get more involved in your academic progress and future success – all via the Internet!

**RenWeb's ParentsWeb/StudentsWeb** is a private and secure portal that will allow you to view academic information specific to you, while protecting it from others. You can see your grades, attendance, homework and conduct, as well as other useful school information. You can also communicate with teachers whenever necessary. All you need is an Internet-capable computer.

Here's how to access our easy-to-use **RenWeb StudentsWeb**:

- Go to any web browser and enter the address [www.melhs.org](http://www.melhs.org).
- Click on green **RenWeb** button.
- Log in as follows:
  1. Type "**MEL-IL**" for your School ID.
  2. Click the **Submit** button.
  3. Click the **First Time Users** tab if you have not logged in to RenWeb before. If you have, skip to Step 6.

  7. Enter the temporary password assigned/emailed to you.
  8. Click the **Student Login** button.

**Note:** If you are on a dial-up connection or experience long delays in loading the web pages, please select the **Dial-up** option on the Student login page before clicking the **Student Login** button. This will take you to a version of ParentsWeb/StudentsWeb that contains the same information but in an environment that requires fewer graphics and therefore loads faster.
