Philios – It's a friendship club

Even on a small campus, students can struggle to connect with others. They may know faces and names, but do not often get a chance to meet, talk to, and learn about one another. Some students in our tech-heavy world, may or may not have much practice in having a conversation with something they do not know very well. That is why we started Philios. Students need a place to connect with others. They deserve a chance to get to hear about fellow students. They have a lot to offer others, but do not always have the chance to show it. Philios breaks down the walls between students and gets them together to share a little of who they are and what they are about. So far, we are enjoying one another a lot!

All March, Philios (the Friendship Club) has been meeting during A and B lunchtimes in the Student Success Center. Students eat together who might not sit near each other in the lunchroom on a regular day.

Any MELHS student is welcome to join in April as we are continuing these Philios Friendship Lunches! And, mark your calendars, Knights! Philios is taking to the ice! Join us at RP Lumber Ice Skating Rink on Friday, April 17th from 6:45pm–8:15pm!

College Reps

College visits are starting. Watch the daily announcements for more information about which schools will be sending representatives. To attend a college visit, juniors and seniors need to see Mrs. Behrhorst the day before the visit to receive a pass. You must still get permission from your teacher for the time that you will miss from class.

"Therefore I tell you, do not worry about your life, what you will eat or drink; or about your body, what you will wear. Is not life more than food, and the body more than clothes? ²⁶Look at the birds of the air; they do not sow or reap or store away in barns, and yet your heavenly Father feeds them. Are you not much more valuable than they?"

Matthew 6:25–26
