The Knights Bowling Team finished with some strong performances this week as they closed out competition with season-best team game and series scores. Cody Steele, Joey Crivello and Jakob Fiudo each had individual career-best games and series in Regionals and Match Play earlier this week. Christian Severs tied his career-high for series, and he led the team in average pins per game over the season. Steven Norberg had the highest overall scores with a 232 game and 558 series against Highland earlier this winter.
