Photography/Video Opt-Out Form

*(Complete and return this form **ONLY IF YOU DO NOT GIVE PERMISSION** for your student to appear in school publicity images, including postings on the school website and social media.)*

Many positive activities and accomplishments happen at Metro-East Lutheran High School that we feel are of interest to our community. To tell these stories, we often use photos and sometimes video to highlight student achievements or chronicle classroom/school activities. These photos may be used in newsletters, school brochures or in other printed materials or may be used on our website or social media channels or submitted to the news media for possible publication.

If you **do not** want your child's likeness to be included in these materials, please fill out this form and return it to the school office.

This form applies only to activities that are not already open to the public.

☐ I **do not** wish for my student's likeness to be included in school publications, both print and digital.
